The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**COMMUNITY AND SENIOR SERVICES DEPARTMENT:
AUTHORIZATION TO EXECUTE CONTRACT AMENDMENTS
FOR COMMUNITY AND SENIOR SERVICES' (CSS) FISCAL YEAR (FY) 2007-08
OLDER AMERICANS ACT (OAA) TITLE III SUPPLEMENTAL GRANT AWARDS
(ALL DISTRICTS AFFECTED) (3 VOTES)**

SUBJECT

The purpose of this Board letter is to request approval to execute contract amendments with eight service providers using supplemental one-time funding received from the California Department of Aging (CDA). The funding amounts recommended for allocation exceed 25 percent of each service provider's amended contract amount. The amendments will allow for the provision of additional family caregiver and care management services throughout the County.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of Community and Senior Services (CSS), or designee, to execute contract amendments in substantially similar form to Attachment A (Family Caregiver Support Program) and Attachment B (Integrated Care Management Program) for Older Americans Act (OAA) Title III-B and III-E One-Time-Only (OTO) supplemental funds received from the CDA. The amendments will be executed with the eight service providers shown on Attachment C, (Rows 2, 11, 15, 17, 19, 21, 22 and 23), in the amounts indicated for the provision of family caregiver and care management services, effective upon execution of both parties through June 30, 2008. The proposed OAA OTO funding amounts allocated to eight service providers exceed 25 percent of each provider's amended contract amount and the Director of CSS' delegated authority.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This recommended action will enable CSS to: 1) amend contracts with eight service providers, whose recommended allocation exceeds the 25 percent delegated authority of the CSS Director, to enhance family caregiver and care management services. This action will allow CSS to expend OAA Title III-B and III-E One-Time-Only funds, received in December 2007 which must be spent by June 30, 2008. In the event that they are unexpended, the funds must be returned to the CDA. On June 26, 2007, your Board previously authorized delegated authority to the Director of CSS to accept future OAA funding augmentations from the CDA and execute contract amendments provided that the amount of change does not exceed 25 percent of the amended contract amount.

The State OTO supplemental funds are designated for use in providing enhanced services during the current fiscal year and should be directed at one-time activities which include providing additional contract services, conducting special projects, and/or the purchase of equipment that will help to improve the quality and provision of services to eligible clients throughout the County. The determination of OTO funding availability for allocation this fiscal year was based on discussions through a series of stakeholder meetings, and an analysis of the Title III-B Home-Based Care and Integrated Care Management Programs and the Title III-E Family Caregiver Support Program funded agency's performance for the first six months of the fiscal year.

In addition to the eight contracts referenced above, CSS is currently executing 15 contract amendments for additional funding to provide enhanced supportive, care management and family caregiver services. The OTO funding allocation for these 15 contract amendments (listed on Attachment C) is within the CSS Director's current 25 percent delegated authority. The additional funding for the eight supportive services contracts exceeds CSS' current 25 percent delegated authority by \$202,885, therefore Board approval is required. These eight contracts are also listed on Attachment C.

Execution of these 23 contract amendments will enable CSS to provide approximately 7,200 additional hours of home-based care services, 8,400 hours of care management services, and 10,200 hours of family caregiver support program services through the end of this fiscal year.

Performance Measures

To comply with federal and state funding source requirements, CSS has developed the following performance standards to measure program effectiveness:

- Percentage of caregivers whose ability to provide care has increased or improved as a result of the support services provided;
- Percentage of participants who reported improved social functions and emotional well-being; and
- Percentage of participants served who are minority, low-income, disabled and aged 75+ exceeds the national average.

Agencies are required to develop benchmark criteria for each performance standard. CSS will assess the agencies' performance during each monitoring visit.

Implementation of Strategic Plan Goals

The recommended action supports the Countywide Strategic Plan Goals of Service Excellence, Organizational Effectiveness, and Fiscal Responsibility.

FISCAL IMPACT/FINANCING

The OTO CDA funding will enhance administration of supportive services programs to older adults aged 60+, disabled adults aged 18+ and caregivers in its Planning and Service Area (PSA), Los Angeles County – excluding the City of Los Angeles. There will be no impact on the County general fund cost. The OTO funding breakdown for the OAA programs is as follows:

The eight OTO contract amendments for the provision of enhanced supportive and care management services, of which \$202,885 exceeds the Director's delegated authority (contract sum increased greater than 25 percent)	<u>\$476,718</u>
---	-------------------------

The 15 OTO contract amendments for the provision of enhanced supportive and care management services within the Director's delegated authority (contract sum increased 25 percent or less)	<u>\$341,834</u>
--	-------------------------

TOTAL	<u>\$818,552</u>
--------------	-------------------------

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

CSS has current contracts with each of the providers listed in Attachment C to provide supportive and care management services to residents within Los Angeles County. These contracts have been executed based on County and the CDA requirements and follow OAA and other applicable federal guidelines. The supportive services contract term began July 1, 2006, and the care management contract term began July 1, 2005. Both contracts are due to expire on June 30, 2008. The types of supportive services provided by these contractors include, but are not limited to, the following: home-based care, family caregiver support, and care management.

CONTRACTING PROCESS

All agencies being recommended for funding were successful in the RFP process conducted by CSS (OAA Title III grant-funded programs). Each of the recommended service providers has demonstrated satisfactory contract performance during the funding cycle.

Monitoring

Monitoring of the supportive services programs is conducted on an annual basis and will include administrative and programmatic monitoring to ensure contract compliance. Program monitoring is accomplished through the CSS Contracts Compliance Division. Fiscal compliance monitoring will be conducted bi-annually by an approved vendor procured through the Auditor-Controller.

IMPACT ON CURRENT SERVICES

The recommended action will give CSS authority to provide additional funding to community-based contract agencies that provide supportive services, and other enhanced program services under the OAA. Through the CDA OTO funds, the CSS is able to provide critical program operations that enhance services to older adults and their caregivers countywide.

CONCLUSION

Upon Board approval, please mail one copy of the adopted Board letter to Ms. Sonja Ivey-Rojas, CSS, 3175 West Sixth Street, Room 403, and Los Angeles, CA 90020. Ms. Ivey-Rojas may be reached at (213) 351-8917.

Respectfully submitted,

WILLIAM T FUJIOKA
